**Prop. 1A - 50 word summary**

YES on 1A dedicates taxes we *already* pay at the pump for transportation improvements like building roads, congestion relief and safety repairs. 1A closes a loophole in the law to prevent politicians from spending gas taxes on other programs. Rebuild California: YES on 1A - safer roads, reduced congestion, [www.ReadForYourself.org](http://www.ReadForYourself.org).

**“Con” Argument  
Proposition 1A  
November 2006 Election**

**Vote “NO” on Proposition 1A!** Keep Education, healthcare and disaster relief our State’s top priorities. In hard economic times, “autopilot” budgeting causes massive unnecessary cuts to schools, firefighters, trauma centers and healthcare. The Governor and Legislature must have flexibility to meet the needs of Californians. **Vote “NO” on Proposition 1A.**

ARGUMENT AGAINST SB 1266 (PROPOSITION 1b)**

California cannot afford to continue borrowing its way into a false sense of economic security. More borrowing means worsening budget deficits. We should make school construction a top priority for current spending.
